

# Outstanding conference facilities at Bletchley Park

Bletchley Park provides an ideal venue for your conferences, seminars, receptions, presentations, product launches and corporate entertainment, made possible by the mansion's variety of flexible rooms, all of which benefit from natural light.

We work to fit around your precise needs; format, seating and catering arrangements are designed around you.

## The Ballroom

Our ballroom has remarkable decor, a gilded ceiling and linen fold wood panelling. There is access to a paved patio area and fully licensed bar. It is the perfect setting for conferences, formal dinners, corporate hospitality, receptions and presentations.

## The Billiard Room – reception/breakout area

This unique room is ideally used as a reception/breakout area for the Ballroom, and was originally a chapel, as can be seen by the feature stone archway and high, beamed ceiling.

## The Drawing Room

A beautiful wood-panelled room with two large bay windows and huge ornate fireplace is ideal for conferences, dinners, presentations or seminars.

## The Music Room

This very elegant and bright room is an ideal choice for presentations, seminars, meetings, luncheons or dinners.

Conference Centre

## The Library

A wonderfully warm, comfortable room with a large decorative fireplace, ornate plaster ceiling and lined with fine oak bookshelves. It is ideal for meetings, seminars, training courses or smaller luncheons or dinners.

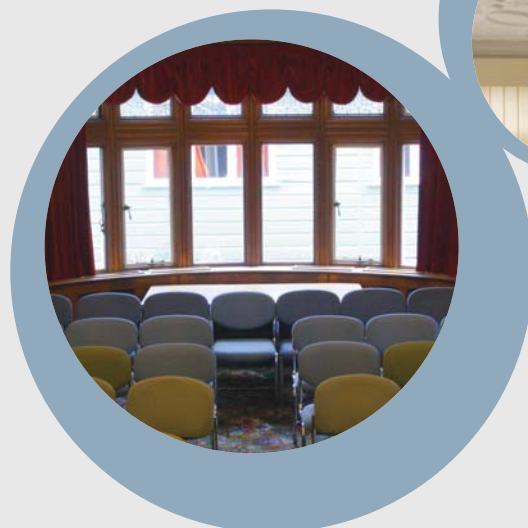

## The Morning Room

This small, light airy room which overlooks the front lawns, is perfect for a board meeting, partners lunch or seminar. It is also fully equipped with video-conferencing facilities.

## The Ante-Room – reception/breakout area

A delightful area with a beautifully decorative stained glass roof available for hire as a reception area for either the Drawing Room or Music Room.

All our rooms have disabled access and hearing loops are available for any guests with hearing impairment.
